Medical and Mobility are an authorised quality assured distributor through our wholesale supplier partnership agreement with Aidacare for the Queensland Government Medical Aids Subsidy Scheme (MASS).

(MASS) "provides access to subsidy funding for the provision of MASS endorsed aids and equipment to eligible Queensland residents with permanent and stabilised conditions or disabilities".

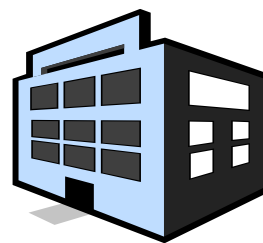

Medical and Mobility under the Mobility and Functional Support Contract are now able to provide an expanded product range with fast delivery for DVA clients.

We can perform equipment maintenance and repairs, conduct equipment trials, provide equipment for hire or sale, undertake minor home modifications including bathroom grab rails, hand held shower heads, access ramps and more.

MASS and DVA Information

Medical Aids Subsidy Scheme (MASS) Queensland Government

Department of Veterans Affairs Federal Government (DVA)

Through the MASS program, aids and equipment are subsidy funded either on a permanent loan basis, private ownership or through the purchase of consumables.

Medical and Mobility supply different types of wheeled walkers and wheelchairs which are approved on the MASS Standing Offer Arrangement (SOA). We can also assist with many other types of specialised equipment through the MASS program. For information on what type of equipment is able to be subsidised, please see contact details for Queensland Health supplied below.

You will need to contact your health care professional to apply for any Mass Subsidy Scheme service.

Please log onto www.health.qld.gov.au/mass/ for all up to date information on the MASS program. Or you can call 13HEALTH (13 432584) for more information.

Medical and Mobility can now supply a viable alternative for supply of services to our veterans under the Mobility and Functional Support Contract. This means our veterans will now have more options available to them when choosing a supplier of rehabilitation equipment, mobility aids and minor home modifications.

We can supply all your DVA needs such as walkers, wheelchairs, walking sticks, bathroom aids, bedroom aids, daily living aids, grab rails (including installation) and much more.

Information on the DVA program and how to apply for assistance is available for eligible veterans by contacting the Australian Government Department of Veterans Affairs on their website: <http://www.dva.gov.au/Pages/home.aspx> or you can call them on 1800 555 254.
